

# Technical Guides

In line with support best operational practice, we've prepared several guides to assist peering participants with configuration of their peering devices, all of which may be found below. Please report E&O to ops [at] inx.net.za.

- [BGP Route Servers](#)
- [BGP Route Collector](#)
- [Layer-2 Filtering Policy](#)
- [Looking Glass](#)
- [Peering Interface Configuration](#)
- [RPKI Validation](#)
