

DINX - Durban Internet Exchange

The Durban Internet Exchange was started in September 2012, and currently operates across two data centres in the Ethekewini Metropolitan Area.

- [Physical locations](#)
- [IP address allocation](#)

Physical locations

The physical address for DINX (RiverHorse Valley) is:

Teraco DB1
River Horse Valley
Newlands East
Durban

and the physical address for DINX (Umhlanga) is:

IS Umhlanga

East Coast Radio House
Second Floor
314/7 Umhlanga Rocks Drive,
Gateway,
Umhlanga Rocks
Durban

There is a protected 1Gb/s link between the locations, allowing peers at either of the locations to be able to peer with peers at either locations.

IP address allocation

The IPv4/IPv6 address blocks for JINX are:

- DATA vlan: 196.223.30.x/24 and 2001:43f8:1f2:0::x:/64
- VOIP vlan: 196.223.31.x/24 and 2001:43f8:1f2:1::x:/64

where X is assigned on application for a port.
